

Description

DCH-1620 Swing Away Heat Press, an advanced solution for versatile heat transfers with an expanded **16"x20" (40x50cm)** heat platen. Designed to cater to a broader range of applications, this cutting-edge machine offers enhanced capabilities while retaining the exceptional features of its predecessor, the DCH-800.

Feature

DCH-1620 Swing Heat Press Key Features:

Extended Heat Platen: The DCH-1620 boasts a larger 16"x20" heat platen, providing an expansive surface area for heat transfers. This generous size accommodates a wider range of materials, allowing for more extensive and diverse applications.

Versatile Heat Transfer Range: With its increased heat platen size, the DCH-1620 caters to a broader spectrum of transfer needs. From T-shirts and caps to ceramic plates, tiles, and more, this multifunctional heat press delivers consistent and high-quality results across various materials.

Streamlined Safety Design: Building on the success of the DCH-800, the DCH-1620 features a streamlined anti-scalding handrail design, high-temperature plastic multi-layer heat insulation, and a large LCD screen with silicone buttons for enhanced safety, comfort, and user-friendly operation.

Dual Heating Tube Advantage: Similar to its predecessor, the DCH-1620 utilizes a dual heating tube design, covering a larger area for superior transfer effects. The minimal temperature difference between the central and edge areas ensures consistent and reliable performance.

- Accurate GY-04 time & temperature controller
- Easy Operation, Seize Market Share
- Stable Base of Machine, Win Reputation
- Larger platen size, Wider range of applications

Specification

Model No.	DCH-1620
Platen Size	16"x20" (40x50cm)
Optional Heater	Dia.6-7.5cm Mug Heater
	Dia.7.5-9cm Mug Heater
	12oz & 17oz Mug Heaters
	Dia.12.6cm Plate Heater
	Dia.15.2cm Plate Heater
Controller	9x15.5cm Cap Heater
	GY-04 Digital Time & Temp. Control
Printable Articles	Up to 40mm Thickness
Voltage	120V/ 220V
Power	1.6KW/ 1.8KW
Time Range	0-999 Sec.
Maximum Temp.	225 C
Packing Size	85x55x65cm
Gross Weight	59kg

Application

DCH Swing Heat Press machine is versatile, allowing users to transfer images onto various flat surfaces such as T-shirts, jeans, pillowcases, jigsaw puzzles, mouse pads, ceramic tiles, and more. This broad application range adds to the machine's overall utility.

T-Shirts

Mouse Pads

Cell phone sets

Puzzles
